To

The Board of Directors
EL Forge Limited
No 1A, Sriperumbudur High Road,
Kattangulathur Onrium,
Kancheepuram District - 603 204

1. We have reviewed the unaudited financial results of EL Forge Limited (the "Company") for the Quarter ended December 31, 2017 and the Year To Date results for the period from April 1, 2017 to December 31, 2017 which are included in the accompanying 'Statement of Unaudited Financial Results for the Quarter and Nine months ended December 31, 2017'. The Statement has been prepared by the Company's management pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations, 2015") and SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.

2. The Statement is the responsibility of the Company's management and has been approved by its board of directors. This Statement has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("IND AS 34"), prescribed under Section 133 of the companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India.

Our responsibility is to issue a report on the Statement based on our review.

3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement.

4. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

5. We draw attention to the following matters:

i. Note 2 to the Statement which states that the Company has adopted Ind AS for the financial year commencing from April 1, 2017, and accordingly, the Statement has been prepared by the Company's management in compliance with Ind AS.

ii. Non provision of loss or gains on account of Actuarial Valuation, as required by the Indian Accounting Standards, namely, Employees Benefit, as per Ind AS 19 due to non payment of contribution to Employees Gratuity Plan agreed upon with Life Insurance Corporation of India.

iii. Penalty and interest, due to non remittance of statutory dues, on account of delay/ short remittance of statutory dues is not ascertainable at present.

iv. The deferred revenue expenses and deferred interest have not been charged to the aforesaid financial results.

v. Default of loan, both long terms and short term, obtained by the Company from the Bank.

- vi. A few Creditors have filed cases against the Company, before the Honorable Madras High Court, under Section 433 of the Companies Act, 1956, (or filed before/ transferred to the National Company Law Tribunal, under the Companies Act, 2013) for winding up of the company. The Company has taken up the matter, and it has been explained that Company has been contesting the case and/or following directions given by the Honorable Madras High Court.
- vii. The Company has paid all the fixed deposits which have matured and claimed; but the Company has not paid the Fixed Deposits matured but not claimed. The amount of such deposits works out to Rs. 87.36 Lakh as at December 31, 2017, since the amount is due for payment, the same has been included and/or shown under the grouping current liabilities.
- viii. Shakespeare Forgings Ltd (SFL), a Company incorporated in United Kingdom (UK) was a wholly owned subsidiary (WOS) of the Company. During the Financial year 2014-15, the UK based wholly owned subsidiary (WOS) of the Company has ceased to be 100% foreign subsidiary (with effect from February 2015) and has become as Associate Company (in UK) concern with the meaning of the Companies Act, 2013. However, consolidation of the Financial Statements (Financial Results) has not been prepared, since the Company does not, in the opinion of the management, have any significant control over the affairs and operations of SFL. Accordingly, the loss or profit relating to the aforesaid SFL was not accounted in the books of the Company. The diminution, if any, in value of Investment is also not provided in the books of accounts.
- ix. Going Concern
- a) The Company's operating results (for the quarter ended December 31, 2017) have been materially affected due to various factors during earlier years and also during the quarter ended December 31, 2017 under report, the Company has huge accumulated losses as on the aforesaid date, which has eroded the entire net worth of the company. Accordingly, the appropriateness of the going concern assumption is depended on the Company's ability to establish consistent profitable operations as well as raising, obtaining or infusing adequate / required fund to meet its short term and long term obligations
- b) At the end of the quarter ended December 31, 2017, net worth of the Company has been totally eroded and become negative. Further, the Company's current liabilities (as at December 31, 2017) have also exceeded its Current Assets. These factors also raise doubts about the ability of the company to continue as a going concern.
- c) In case the going concern concept is vitiated, necessary adjustments will be required on the carrying amount of Assets and Liabilities (As at December 31, 2017) which are not ascertainable, at this stage.
- x. Change in method of Accounting
- a) With effect from the Financial Year 2013-14, the Company has changed the method of accounting of interest on Bank Borrowings (both short term and long term borrowings) from mercantile method to cash method. Accordingly, an amount of interest (as determined by the Management, based on the information available with them, and relied upon by the auditors) of Rs. 319/- Lakh relating to current quarter under report, has not been provided in the books of account and the same has not been charged as an expense in the statement of Profit and Loss Account for the Financial Period under report.

- b) Had the aforesaid interest been provided, as per the earlier method of accounting, consistently followed by the Company, the operating loss, for the current quarter under report, would have been more by an amount of Rs. 319/- Lakh and to that extent added up to the company's negative net worth.
- c) In our opinion, the method of accounting of the aforesaid Bank interest is not in accordance with provisions of section 128, 129 and 134 of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014.
- xi. We were neither engaged to review, nor have we reviewed the comparative figures including the reconciliation to the total comprehensive income and reconciliation to equity for the quarter ended December 31, 2016, Nine months ended December 31, 2016 and accordingly, we do not express any conclusion on the results in the Statement for the quarter ended December 31, 2016, Nine months ended December 31, 2016 respectively. As set out in Note 5 to the Statement, these figures have been furnished by the management.
6. Subject to observations made in the aforesaid paragraph and based on our review conducted as above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with Ind AS and other recognised accounting practices and policies, and has not disclosed the information required to be disclosed in terms of Regulation 33 of the (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI circular CIR/ CFD/ FAC/ 62/ 2016 dated July 5, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.
